To Whom It May Concern:

Mr. Gary H. Bedian has been involved in my company, Financial Capital Investment Company, in a consultative capacity. He has been invaluable on several projects, including our acquisition of the Atrium Suites Hotel in Las Vegas, Nevada. His role has been important in the conceptual planning stages of our repositioning the property as a unique luxury boutique hotel.

Mr. Bedian has also been involved in helping us organize a new major hotel development in Las Vegas, one of the largest casinos yet; a \$1.2 billion project involving 28 acres of real estate. Mr. Bedian is helping us generate market interest in our projects and working with potential overseas investors.

I've had the pleasure of working with Mr. Bedian for the past year and I have seen his resourcefulness and leadership skills first-hand. I personally believe that any corporation that has the opportunity should quickly acquire his services and put him on their management team.

Please feel free to contact me with any questions you may have.

Most sincerely,

Richard Alter  
Managing Director
