Dear Mr. Bedian:

I am writing to congratulate you on the Protocol Agreement your firm has signed with the Republic of Armenia. This is indeed a monumental step toward more American investment in the now-independent republics of the former Soviet Union.

Additionally, I would like to wish you well in your other endeavors in promoting the Republic of Armenia in the United States, as well as in markets around the world.

As you might know, my Congressional District has the largest concentration of Armenians anywhere in America. Of the more than 50,000 Armenians I represent, thousands of them are relatively recent immigrants from what use to be Soviet Armenia.

I know how overwhelmed Armenians around the world were when their homeland gained independence. Your efforts will greatly benefit Armenia economically as it tries to recover from 70 years of the failed Soviet system of central planning.

Again, congratulations. I wish you and your associates the best of luck in your business ventures in Armenia.

Sincerely,

Carlos J. Moorhead
